

Developer Advocate (DevRel)**SUMMARY**

A DevRel, Team Lead and Senior software developer with 12+ years of experience leading international teams, launching startups, speaking at technology conferences, writing and reviewing hundreds of thousands of lines of code, and contributing to open-source projects. [Current portfolio](#) includes healthcare projects, cargo-delivery tracking software, a high-load SaaS PDF-generation service, and a [substantial collection](#) of conference talks and media publications. Ready to contribute in dynamic startup environments and open to relocation.

SKILLS

Tech: Python, Django, DRF, SQL/No-SQL DB, VueJS/NuxtJS, GIS/Geo, FastAPI, Pydantic, JavaScript, ReportLab, AWS.
Engineering: Clean Architecture, RESTAPI and OpenAPI, sync/async paradigms, Software design patterns and principles.
Soft: Team Leadership, public speaking to large audiences, creating articles and video content, mentoring, and coaching.

PROFESSIONAL EXPERIENCE**winePad.at (2015 - Now)**

Austria

Supported Europe's largest alcohol-related data lake. Advocated for best practices in development through conference talks.

Software Full stack Developer, Team Lead.

- Developed winePad.at from scratch to a mature project with 300k+ lines of code serving 100,000 users daily.
- Deployed PDF generator, data sharing system and full-text/image search improving the efficiency of the [winePad.at](#)
- Migrated a Python 2.7 based project to the latest version of Python, to improve safety, maintainability and productivity.
- Organized the recruitment process, building a team of developers and designers and providing continuous mentorship.
- Spoke at Python/Django conferences, promoting contributions to open source and helping to expand the community.

Tech stack: Python, Django, ReportLab, BeautifulSoup4, Elasticsearch, SQL/NoSQL, javascript, jQuery, Lighttpd, DRF, etc.

Freelance (2023 - 2024)

Austria, Spain, Czech Republic, Germany

Provided consulting on solving architectural and security issues in Python projects, mentored community members, and spoke at DevCon events, reaching over 10,000 developers, promoting contributions to the open-source Python ecosystem.

Developer Advocate (DevRel)

- Guided 2 dev-teams to align solutions with regulatory requirements, enabling successful preparation for an IPO
- Improved and promoted [µ-Django microservice technology](#), driving adoption in over 10 Python projects
- Launched a voice AI assistant for a network of industrial baking ovens, reducing pre-processing time by 40%
- Implemented and optimized AWS Cognito for healthcare projects, ensuring GDPR compliance for over 5MM users
- Built a personal network of 1500+ Python developers through active participation at PyCon events

TechStack: Python, FastAPI, LiteStar, Django, AWS, OpenAPI, Flask, etc.

wP soft GmbH (2020 - 2023)

Austria

Developed Python-based solutions and microservices, participating in open-source projects and mentoring the community.

Software Architect, Senior Software Developer, Team Lead

- Developed a [multi-vendor e-commerce platform](#), that hosts 50+ online stores with 2000+ transactions/month.
- Served as the architect of Austria's time tracking platform, used by 10+ companies.
- Launched a high-load SaaS for PDF creation, optimizing performance to process 100.000+ documents per month.
- Created the open-source [Django-TOF2](#) library, increasing the number of users by presenting the library at conferences
- Built and led a project team of three developers, a designer, and an intern, providing technical mentorship.

TechStack: Python 3, Django, DRF, FastAPI, Vue.Js/Nuxt.Js, PostgreSQL, PostGis, MySQL, ReportLab, Figma, nginx, etc.

EDUCATION

2009 Erickson Coaching International. Mental Coach in Management.

2009 Institute of Psychology and Social Work. Certified as a Preschool Child Psychologist.

2006 Power Engineering Institute. Master's degree in Electronics & Microelectronics, postgraduate.

CERTIFICATES

2024 Développeur en langage Python orienté objet (OOP Python Developer) by API SOCIETY (France compétences)

ADDITIONAL INFORMATION

Languages: German (advanced) | English (advanced) | Russian (native) | Italian (basic).

Recognized eight times as a 'Super Mentor in Engineering' on ADPList.org for mentoring aspiring engineers.
